

# CISS Traded Training

All CISS training is planned with you to ensure your specific inclusion training needs and requirements are met. Training is delivered by experienced CISS teachers.

Training sessions range from 45 minutes to a whole day (6 hours), with topics put together as appropriate. Training can be delivered to any specific staff group or the whole school team.

## Examples of training available:

- Autism awareness and strategies to support learners with Autism
- ADHD awareness and strategies to support learners with ADHD
- Strategies for managing low level disruptive behaviour
- Managing meltdowns
- Mental health awareness
- Helping the anxious child
- 'Thrive' awareness
- Lego therapy
- Using 'Comic strip conversations'
- How to use Social stories
- Developing an inclusive school
- Improving playtimes
- Promoting learners' independence
- Supporting transition
- Understanding Attachment Disorder
- Managing sensory needs

For further information, please contact your school's CISS Teacher or email us at:
