

# GREETINGS CARDS

WINTER 2026

Please help us support vulnerable children, young people and families across the East of England by purchasing your Christmas cards from **Ormiston Families**

Over the last year, we delivered more than 23,000 sessions of dedicated support, but demand keeps growing. As an independent local charity, fundraising is vital to keeping that support in place.

Christmas can be an especially difficult time for children coping with bereavement, emotional wellbeing challenges, or a family member in prison. We want to ensure help is there when they need it most.

By buying our cards, you are supporting that work. And spreading a little Christmas cheer, too.

We are thrilled to have worked with three amazing artists for our inaugural range:

## Kate Rolfe

Acclaimed children's illustrator and author, known for books including Owl and Moon

Kate Rolfe  
**'COOKIE CHAOS'**

Kate Rolfe  
**'WATCHING FOR SANTA'**

## Chloe Leaper

Local sculpter, artist, and creator of public commission such as the Halcyon Mere Sign

Chloe Leaper  
**'WAYFINDING'**

Leanne Crowe  
**'A SKY FULL OF LOVE'**

## Leanne Crowe

Local illustrator, specialising in childrens books, greeting cards and licensed artwork

We hope to raise £20,000 through card sales - enough to fund the equivalent of 1,000 hours of therapeutic support for children and families across our region.

### You can help us by:

- Buying an extra pack for friends, family or colleagues
- Donating a small amount of shelf space to sell our cards on a commission-free basis
- Purchasing our cards as your corporate greetings cards, or making them available for staff to buy
- Helping us save on postage by collecting your order in person – we're always up for a coffee!
- Supporting us with pro bono deliveries
